

Merry Christmas

Season's Greetings

Forensic Architecture & Engineering
Roof Consulting Construction Cost Estimating
Project Scheduling & Schedule Delay Analysis
Data Management & Document Control

*'Twas the night before Xmas and all through the house,
Everyone was working, (nobody noticed the mouse).*

*Invoices were sent out, vendors were paid,
The accounting was focused, (running finals) were made.*

*Personnel were registered, and papers were filed,
Everyone was accounted for, man, woman and child.*

*Computers were checked, broken hardware sent back,
No PCs were forgotten, (even Joe's old MAC).*

*Programs were written "under the gun,"
Dr. Fred and Nicole, insured that it was all done.*

*Collections were busy, in filling each bag,
So that Santa could deliver, without a snag.*

*And so it was, that Santa set forth,
To deliver the presents, from out of the North.*

*The reindeer were harnessed, and even the "Springbok" looked right,
Merry Christmas to all, and to all a good night.*
