Season's Greetings

"Twas the night before Christmas", And all through the house,
Consultants were stirring, Including the mouse.

Assignments for Assessments....No place was too far,
Every corner of Canada, By plane, bicycle or car.

Time is of the essence, Not a moment to waste,
Let's head for the Loss Site, And start Scoping.....post haste!

Get the Data back to the office, From PixOnSite® through the Cloud,
The Home staff is waiting, Let's do them all proud.

Estimates and Schedules, Or a Quantity Survey,
Code and an Audit, That's the task Eh!

Conclude all the Findings and develop a Report,
Keep an eye on the timing Eh!...The ball is in our court.

And so...from Us to our Clients, In the wee hours of the Night,
Merry Christmas to all.....And to all a good night!
