Season's Greetings

FROM OUR REGIONAL MANAGERS

*"Twas the Night before Christmas," and all through the House;
25 Regional Managers were working, "What's up?"thought the Mouse.*

*Projects need tending, and Deadlines await;
Roll-up your sleeves, our Clients are at the Gate!*

*Our Regional Managers are connected, by Internet and our Cloud;
But it's their Relationships with People, that makes us most proud!*

*Our Regional Managers are skilled, in the Art of Production;
They are Estimators, Engineers, Architects and Managers of Re-Construction.*

*Each Regional Manager is unique, both in Person and Profession;
They have one thing in common, they all have discretion.*

*Their Staff is so dedicated, and from all walks of life;
They complement one another, without the professional strife.*

*The Deadlines are looming, and our Reports are due;
280 Employees in action, they deliver on cue!*

*Mission accomplished, to the Regional Manager's delight;
Merry Christmas to ALL.....and, to ALL a Good Night!!!*
