MKA DEPARTMENT HEADS

Season's Greetings

"Twas the night before Christmas," and all through the house,
Department Heads were huddled, watch out for the mouse!

Our *Helpdesk* and *Programmers*, led by Edward and Hin,
Create all of our *systems*, so we're *programmed* to win.

Debra and Heather, take the laboring oar,
They attend to our *Clients*, with *service* at the core.

Finance and *HR*, is run by Juliet and Carol,
With over *300 people*, that's a lot of apparel!

Carrie and Diane, oversee *Billing* and *Collections*,
They work hard with their teams, to avoid any "corrections."

Roxy and Heather are the *Canadian team*,
Covering all of the same bases, so nothing falls in between.

With the year almost over, and still so much to do,
We say thank you to our *Clients*, and especially to *YOU!*

So from our *Administrative heartbeat*, who *aspire* to do right,
Merry Christmas to ALL...and to ALL a good night!
