Season's Greetings

'Twas the night before Christmas, and all round the house,
Nothing was stirring, not even the mouse.

A *virus has arrived* and it's something we can't trace,
The people have left here, "*to shelter in place*"!

With *restrictions on travel*, land, air and sea,
We jumped into action, and *developed "Plan B"*.

Led by our IT, we *repurposed our homes*,
And in no time at all, we were *back on our phones*.

Senior Management was ready; they knew where to begin,
After all they were appointed, through "*Growth from Within*".

With *masks and hand sanitizer*, we were back at our stations,
Our goal was to meet, *our Clients' expectations*.

35 years of working side-by-side *as a team*,
We all knew what to do, albeit it *unseen*.

We're *confident of the future*, there's an end to this fight,
So "*MERRY CHRISTMAS*" to ALL, and to ALL, a good night!
